

## **ADAM HLASNY, TRANSPORTATION PLANNER**

Adam joined the SNHPC team in June 2012. Born and raised in Laconia, he graduated from Saint Anselm College in 2005 with a B.A. in English, and from West Chester University of Pennsylvania in 2007 with an M.A. in Geography.

Despite a soft-spoken nature, he brings a decade of regional planning commission experience to his duties in Multimodal Transportation, Scenic Byways, Complete Streets, and many other areas. He is one of several planners on the forefront of pedestrian counting in New Hampshire, initiating a Manchester count program in 2017.

When not working, Adam can be found exploring the NH outdoors with his wife and 6-year old daughter, traveling, reading and/or writing.
