

CAMERON PROLMAN, ASSISTANT PLANNER

A native of Litchfield, Cameron is one of the newest additions to the SNHPC team. He graduated from the University of New Hampshire in 2015 with a B.S. in Community & Environmental Planning, and is currently enrolled in a graduate program at UNH pursuing a Master's in Public Administration.

Cameron works on a number of different projects, including Solar Up NH, Health Impact Assessments and Transportation Assessments – as well as providing assistance to the Upper Lamprey Scenic Byway Council. An aspiring community planner, Cameron hopes to enable communities to find innovative solutions for issues like housing, mobility, and climate change.
