ANNUAL LISTING OF OBLIGATED PROJECTS

OCTOBER 1, 2014 – SEPTEMBER 30, 2015

List of Projects for the
Southern New Hampshire Planning Commission Region

December 1, 2015

FY 2015
Annual Listing of Obligated Projects
In the
Southern New Hampshire Planning Commission Region

The Southern New Hampshire Planning Commission (SNHPC), which was formed under the New Hampshire Statutes in 1966, serves as the coordinating agency for the planning initiatives of fifteen communities in the region. The Commission is also the Metropolitan Planning Organization (MPO) for the region. The MPO is an organization that conducts transportation planning in a cooperative, comprehensive, and continuous manner. The SNHPC region includes the City of Manchester and the towns of Auburn, Bedford, Candia, Chester, Deerfield, Derry, Frankestown, Goffstown, Hooksett, Londonderry, New Boston, Raymond, Weare and Windham.

Federal transportation law requires the MPO, State and public transportation operators to cooperate in preparing a list of projects, including investments in pedestrian walkways and bicycle transportation facilities, for which Federal funds were obligated for spending during the immediate preceding year. The listing shall be consistent with the funding categories identified in the MPO improvement program (TIP). The listing includes project details and the total amount of Federal funds obligated in the program year. The following pages document the FY 2015 Annual Listing of Obligated Projects for the SNHPC region.
